

Please do not change the state of Wisconsin's do not call list.
We used to get 6 or 7 calls a night sometimes and some times they
are after 10 pm. We go to bed at 9, so this was very annoying. I
actually had to buy Caller Id service so I would not have to
answer these annoying calls. If I want to buy something, I will go
searching for it, I do not want someone calling me trying to force
it down my throat.

Please, Please leave the Wisconsin call list as it is.

Thanks
